Correction: *BMC Surgery* (2024) 24:361

<https://doi.org/10.1186/s12893-024-02670-2>

Following publication of the original article [1], the expansion for the term SMAS was incorrect in the Background of the Abstract section. The correct and incorrect expansion is listed in this correction article, the original article has been updated.

Incorrect expansion:

- Superior mesenteric artery (SMAS).

Correct expansion:

- Superficial musculoaponeurotic system (SMAS).

Published online: 13 February 2025
